Passing on and copying of this document, utilization and communication of its contents are prohibited unless expressly permitted. Violations oblige to compensation. All rights reserved in the case of patent or utility model.

## Security

NOTE - Intended use

The organizer is designed exclusively for storing items (clothes, underwear, other items, etc.).

Use the organizer only as described in this manual.
described in the operating instructions. Any other use is considered improper and can lead to property damage. The Organizer is not a child's toy.

The manufacturer or distributor accepts no liability for damage caused by are caused by improper or incorrect use.

WARNING - Packaging:

The plastic packaging bag is not a toy. Keep this bag away from babies and small children.
Do not use in cribs, cribs or strollers or near children. The thin film could in the mouth and nose and hinder breathing.

# Assembly instructions

NOTE - Make sure that all components (see section Scope of delivery) are included in the scope of delivery.

- ➢ Remove the entire contents from the product packaging and spread it out in front of you. This content makes two organizers with bottom and five dividers each.
- ➢ Take the two organizers and fold them apart.
- ➢ Now take the two shelves, unfold them and place them in the organizer. This gives the organizer its stability.
- ➢ Then you can attach the dividers individually with the Velcro and thus freely choose the size of the individual compartments.
- ➢ The organizer is now ready for use.

## Cleaning

NOTE - The organizer can be cleaned with a dry or damp cloth (without "aggressive" detergents).

## Technical data
